

**Discovery Coffee (Blanshard)**

**Completed Actions: 17**

**Verified : June 5<sup>th</sup>, 2015**

**Verified By: Tina Stokvis,  
 Program Verifier**

**BUILDING & OPERATIONS**

- All non emergency lights are turned off at closing
- ≥ 75% of refrigeration and dishwashing appliances are ENERGY STAR®
  
- Windows are double paned or draft-proofed and entrances and exits are draft-sealed
- All cooling equipment is well-insulated and doors are kept tightly closed

**TRANSPORTATION**

- Bicycle parking provided for staff and clients
- ≥ 50% of staff commute to work by bike, transit, carpooling or walking

**PURCHASING & PRODUCTS**

- Any take-away items purchased are 100% compostable or recyclable by standard means
- Purchases ≥ 20% of all beverages (alc. & non-alc.) produced in BC

**WASTE**

- Specials are listed on menu boards (chalk or white boards, screens, etc.) instead of printing specials for each table
- All paper, cardboard, glass, tin and rigid plastic are reused or recycled by standards means
- All food waste and soiled paper are composted
- All soft plastics (shrink wrap, plastic bags, etc.) are recycled

**WATER**

- Bottled (still) water is not purchased
- Low-flow spray nozzles (≤ 6.0 LpM) installed in dishwashing area
- All toilets are ≤ 6.0 LpF, urinals are ≤ 1.9 LpF
- All refrigeration units are air-cooled

**SOCIAL**

- Environmental sustainability is incorporated into the hiring process, employee orientations and training programs
